

# Your prescription drug benefits

## Anthem plans help keep you healthy and lower your health care costs

### Your medications — covered

All of our pharmacy plans have a drug list that includes hundreds of covered brand-name and generic drugs in every category and class, meeting or exceeding Affordable Care Act (ACA) requirements. Individual and family plans use the *Select Drug List*.

To view the Select Drug List and see if your drug is covered, go to [anthem.com/pharmacyinformation](https://www.anthem.com/pharmacyinformation) and choose the *Individual Georgia Select Drug List*.

### Filling your prescriptions

It's simple. Choose the way that works best for you to get the medicines you need, when you need them.

### Home delivery pharmacy — your medicine delivered right to your door

With home delivery, you can get up to a 90-day supply of your maintenance medication quickly and safely. People who use home delivery pharmacy are more likely to follow their drug treatment plan, resulting in increased medication adherence. That means fewer doctor visits and hospital stays — and lower health care costs for you.<sup>1</sup>

### Retail pharmacies in your network

The **Rx Choice Tiered Network** offers two levels of pharmacies — giving you choices, convenience and savings:

#### Level 1

Get the lowest cost for your prescriptions when you use one of nearly 25,000 Level 1 network pharmacies, including **CVS, Wal-Mart, Kroger** and **Costco**.

#### Level 2

You can also use one of the 45,000+ Level 2 network pharmacies. Your prescriptions will be covered, but you'll pay an additional copay or coinsurance.
